Scarlett with her husband Brad pastor the Goodness of God Church. She has taught the word of God nationally and internationally for over 30 years. Through this book, Scarlett escorts women on a journey of the model woman. Now it's your turn to slip into the shoes of the model woman and become more beautiful inside and out, full of strength and character to impact the world around you.

God loves women and loves to empower His daughters to live happy, successful lives.
